

Asst. Lecturer Asmaa Ghassan Sami

Department of civil Engineering

Member of central examing committee

Secretary of scientific promotion committee

Email: asmaa.ghassan@alfarabiuc.edu.iq

Education:

MSc, University of Al-mustansiriyah 2012

BSc, University of Almustansiriyah , 2009

Profile

- One of the founder of civil engineeing department 2013
- Faculty member of civil engineering department 2013-present
- Supervision of 7 graduation projects last 4 academic years

Teaching

- 1- Selected topics (4th stage)
- 2- Theory of structure (3rd stage)
- 3- Engineering drawing (1st stage)

Research Focus

- 1_ sustainable structure
- 2_ recycling of construction materials
- 3_Green buildings

Publications (at last two years)

- 1- Influence of Nano Silica on the compressive strength and flexural behavior of Bridge rubberized concrete
- 2- Sustainable Bridge design with modes and numerical analysis

Affiliations/Activities

Member of Iraqi engineering union
