

## **Assist. Prof. Dr. Kanaan M. Abdlkareem**

.....

**Department of Civil Engineering**

**Assist. Prof, lecture**

**Email: [dr.kanan.mutaeb@alfarabiuc.edu.iq](mailto:dr.kanan.mutaeb@alfarabiuc.edu.iq)**

**Education:**

**PhD, University of ... Technology 2000**

**MSc, University of ... Technology 1995**

**BSc, University of ..... Mosul 1979**

**Profile:**

**Al-Farabi University College 2013 Nov. – present**

**AIDIQ Company& Industrial System Company 2012Mar –Sep. 2013.**

**Al-Makooke Group Company: 2009 Sep. – Fib2012**

**Al-Ani Group July 2005 - July 2007**

**University of Technology Oct.03-Oct 96**

**Teaching**

**Teaching staff within Civil and Architect Engineering Department for the topics of Quantity surveying, estimation and spesification, Building construction, surveying engineering and Construction management.**

**Research Focus:**

**Time management**

**Risk management**

**Cost management**

**Feasibility Study**

**Maintenance management**

## **Publications**

**1-Feasibility Study of Rapid Transit Project Baghdad Metro**

**2-Developing the Maintenance Management System of Railway in Iraq**

**3-Feasibility study for investment in residential complex project**

**(Almuthanaa project case study)**

**4-Developing cost control system for building construction**

**5- "Compatibility Assessment of Management and Technical**

**Requirements in Private Sector Laboratories in Al-Anbar Governorate/Iraq based on ISO/IEC 17025: 2005"**

**6- Developing the Maintenance Management System for Spatial plant and equipment in Railway.**

**7- Developing control system for cost and time in design and built construction.**

**8- Time study of the production line (concrete sleeper) and the development of the implementation method.**

**9- Pre-stressed concrete sleeper, casting, and the method of choosing the appropriate system for the railway line.**

**10- Risk management in Iraqi Oil Field Kurdistan Regional Government Case study (Upstream).**

## **Affiliations/Activities:**

**Member of the Iraqi Engineers Society**

**1979 – Till Date**
