

## **Assist. Lecturer: Akram Jabbar Abd-Alhussein**

**Department of computer engineering**

**Lecturer**

**Email: Akram.Jabar@alfarabiuc.edu.iq**

### **Education:**

**MSc, University of Baghdad Year 2013-2014**

**BSc, University of Baghdad Year 2010-2011**

### **Profile:**

**lecturer at the University of Baghdad College of Engineering Department of Electronics and Communications Engineering for the 2014-2015 academic year, lecturer at Al-Farabi University College, Department of Computer Engineering for the 2015-2016 academic year, for the fundamentals of computer systems for the first stage and electronics for the third stage.**

**1-10-2016 lecturer in the Department of Computer Engineering for electronics for the first stage, electronics for the third stage, and control laboratory for the fourth stage in the Department of Computer Engineering and electrical technology for the first stage in the Petroleum Engineering Department, and computer programming for the second stage in the Petroleum Engineering Department.**

### **Teaching**

**Computer programming for the second stage in the Department of Petroleum Engineering: Getting to know the MATLAB program and how to deal with and represent matrices programmatically, the FORTRAN programming language and how to write different programs.**

### **Research Focus:**

- 1- In the field of communications.**
- 2- In the field of antennas.**
- 3- In the field of computers.**

### **Publications**

**Fast Detection Process for Downlink in LTE Networks.**
