

Assist Lecturer Mohanad Ghazi Khamees

Department of Computer Engineering

M. Sc. in electronics and communications engineering department

Email: mohannad.ghazi@alfarabiuc.edu.iq

Education:

MSc from University of Baghdad, College of Engineering, electronics and communications engineering, Year 2014

BSc, from University of Baghdad, College of Engineering, electronics and communications engineering, Year 2011

Profile:

- Assist lecturer in computer engineering department from 2014-2015 until this day
- Examination Committee member from the academic year 2015-2016 to the year 2018-2019

Teaching

Electronics 1 (Theory + Practical): Principles of electronics, and fundamentals of operation of diodes and transistors

Electronics 2 (Theory + Practical): Electronic applications, and operation of some integrated circuits

Research Focus

- Electronics and Applications of Integrated Circuits
- Micro-controllers
- Optical Fibers
- Laser Applications in the field of Communication engineering

Publications

- 1- Journal of Applied Engineering Science, “Design And Implementation Of A Smart Home Automation System Based On Global System For Mobile Communications”, Mohanad Ghazi Khamees, Omar Al-Mukhtar Tawfeeq, Qusay Shihab Hamad, 2018.
