Teaching

1. Criminal Procedure Law / Phase III / Law Department

The focus will be on the mechanism of initiating the criminal case, how to follow it up, and what are the procedures related to it, from the moment it is brought before the judiciary, or from the moment the authorities learn of the commission of the crime, through the stage of investigation of the crime, all the way to the stage of the trial and the issuance of the judgment, and then the appeals that can be raised during the course of the case and after the issuance of the judgment .
