

Lecturer.Dr. Reem Mohammed Obaid

Department of Medical Laboratory Techniques

Ph.D. in Physiology

Email: dr.reemmedlab@alfarabiuc.edu.iq

Education:

PhD, University of Baghdad , Year 2014

MSc, University of Baghdad , Year 2010

BSc, University of Baghdad , Year 2000

Profile:

A lecturer in Biology Department/ College of science/ University of Baghdad (2017).

A lecturer in Biology Department / Al-Farabi University College (2018).

A lecturer in Medical Laboratory Techniques Department/ Al-Farabi University College (since 2019 until now).

Teaching:

Previously, teaching Physiology, Immunology and Histology. Currently, teaching Human Biology for the 1st stage.

The Human Biology course offers a comprehensive view of human as a biological species.

Offers studying of genetics, physiology, cell biology, the essential elements that building different types of organisms bodies, evolution and development.

Research Focus:

All my research are on the specialty Physiology (Endocrinology) associated with Immunology and reproductive endocrinology.

Publications:

1- Correlation between serum inhibin and FSH levels in men with different reproductive disorders.

2- Early Detection of T1DM using Anti- GAD and Anti-Insulin Antibodies.

4-The role of obesity in the development of polycystic ovary syndrome (PCOS) in Iraqi women

ases in Iraqi patients.

6- Blood cells depletion after chemotherapy in Iraqi women with breast cancer

7- Study the relationship between Ca Ions Level and osteoporosis in thyroid diseases patients.

th Polcystic Ovary Syndrome (PCOS).

9-The correlation between food sensitivity, sex, age of patients and some physiological problems.

10- Study the role of antioxidants in the controlling of Huntingtons Disease. (Areview).

11- Comparision between food intolerance and food hypersensitivity. (Areview).

12-The human hormones (published Book).

Affiliations/Activities:

- A member in Iraqi Physiologists Association.
- Participations in many conferences and workshops.
- Obtaining of Acknowledgments from the Dean of Al-Farabi University College and from the Minister of Higher Education.
