Education:

PhD, University of Baghdad- Academy of Fine Arts, Year 2005

MSc, University of Baghdad- Academy of Fine Arts, Year 1990

Higher Diploma, Carrara Academy of Fine Arts, Year 1979- Italy

BSc, University of Baghdad- Academy of Fine Arts, Year 1973

Profile:

I have started my professional career in 1973, as an art teacher- Ministry of Education (MoE), then I have been assigned to be part of the academic board for the Fine Arts Institute in Iraq- Baghdad, between years of: 1975 to 1993. And during the time of 1981-1986, I have moved to teach in the Iraqi school in Kuwait.

In 1993, I worked at University of Baghdad- Architectural Dept. in which I got the Assist. Lecturer degree in 1993, then, lecturer in 1997, and also Assist. Pro. in 2002, moreover, the Pro. in 2010. While in 2013, I have retired from my governmental employment and joined Al-Farabi University College since then.

Publications

Recently, I'm working to turn my both thesis of PhD and MSc into official books, in addition to work on production of a new textbook on Principals of Architecture and Arts.

It's worth to mention that I have submitted more than 10 researches for the upgrading of my scientific title during the past years.

"Not to Contribute with", a post that I published on Social Media platforms, in which I have targeted different plastic artists.

Affiliations/Activities

- Member of the Iraqi Plastic Artist Society – since 1974.
- Member of the Iraqi Artists Syndicate- since 1975.

I'm also participated in tens of the plastic art fairs that took placed inside Iraq and abroad in (Lebanon, Jorden, Syria, Kuwait, Italy... etc.)

I'm also involved in design and achieve many monuments, murals, sculptures, medals, posters locally and outside of Iraq.
