Teaching

Civilization history course This course is concerned with following up the artistic development of the Iraqi, Egyptian, Greek and Islamic civilizations

Concerning the letters of artistic creations, the materials designed from them, and their distinctive formal features, and to benefit from the symbolic forms contained in them and to employ them in contemporary designs to give these creative works a character of identity and locality.

Research Focus

- 1- My interests in scientific research focused on the specificity of creativity and design in the Iraqi civilization
- 2- My interests expanded towards the fields of creativity in the Egyptian and Greek civilizations
- 3- I am interested in presenting my studies, past and present, in a contemporary critical language that is consistent with the concepts of contemporary aesthetic taste

Publications

- 1- Completed the writing of 35 books on Iraqi civilization for the benefit of the Council of Ministers, the Ministry of Higher Education and the Ministry of Culture.
- 2- I published 50 research papers on the history of Iraqi, Arab and international art in Iraqi, Arab and international magazines
- 3- 85 studies have been published on websites regarding artistic creations in Iraq
- 4- I published 250 studies on the arts on my Facebook page, interested in the history of Iraqi art and civilization

Affiliations/Activities
