

Curriculum vitae

Name : Dr. Adnan Abbas Al-azzawi

Place& Date of Birth: Baghdad, 1943

Marital Status : Married (Iraqi wife) \ three sons

Certificate : ph. D. in Mechanical Engineering

Field of Specialization: Power

Academic Degree : Assistant Professor

Date of Appointment : 10\9\1976

Address: College of Engineering (University of Baghdad) Dept .of Mechanical Engineering .

Graduation year :1976

Country of Certificate: College of Motor-cars & Engines- Czechoslovakia.

Academic Assignments

- Lecturing for undergraduate& Postgraduate Students .
- Supervision on M.SC.& Ph.D. Dissertations.
- Teaching of the following subjects : internal combustion engines thermodynamics , power stations , heat transfer , and motor-cars maintenance .
- Preparation of continuing education courses .

Studies

- A Detailed Study on Gear Industry.
- A Detailed Study on Radiator Industry.
- A Detailed Study on Leaf Spring Industry.

Published Works.

- A Curriculum Book entitled Motor-cars Maintenance for the Final-Year Student specialized in Motor-cars/University of Technology.
- Ideal Qualitative Consumption on Fuel in the Conversion Jet Engine.
- A Patent (on an invention): Manufacturing an apparatus for stopping the Vehicle preventing any leakage from the brake system, in case of any accidental defect.
- Metal Cutting by the use of water current.

Work to be published

- Pollution resulted from combustion & its influence on environment.
- Control of combustion through the analysis of automatic propelling of the Missile.
- Performance evaluation of boilers in the power generating stations.
- Viscoelastic behavior of glass fiber Reinforced Rubber-modified Epoxy .

Administrative Posts

- Vice Chairman of Dept. of Machines & Equipment Engineering/University Technology for the period for 1976-1980.
- A member of the University Council for 1976.-1980.
- Head of the Academic Committee of Motor-cars Branch for 1976-1980.
- Head of the Academic Committee of the Aviation Engineering/University of Technology, for 1977-1980.
- A member of the Mechanical Consultation Committee of Measurement & Quality Control for 1988-1991.
- Head of the Scientific Training & Continuing Education in the College of Engineering for the period 1 987-1991.
- Secondment for teaching in the Algerian Universities for 1991-1995.
- Head of the Scientific Training & Continuing Education in the College of_Engineering for the period 1995-up to 2013.

EXPERIENCE

- A training course in the factories of Zitor Engines for 7 months /Czechoslovakia.
- A training course in M.A.N. /German Company for 3 months.
- A Training Course in "FIAT"/Italian Group for one month.
- A course in the operation of Diving Pumps.
- Follow-up & Discussion of the Designs & studies of the Consultation Complex in both Germany & Baghdad for Motorcars Industry Project.
- Engineering Consultations for the Mechanical Systems of Bakhma Dam in the North of Iraq.
- Engineering Consultations for the Consultation Bureau of the University of Baghdad.
- Technical Consultation for Courts.

Academic Societies

- Member of the Iraqi Academic Society.
- An ex-member of the Mechanical American Academic Society.

Acknowledge Ement

- Many letters of gratitude during the period of his work, by the Iraqi institutions (Attached list).
- A Certificate of Appraisal & Preparation" for the course of Educational Preparation No.13, held by the University of Baghdad.
- A certificate for the best inventions for the year 1989/Fourth Winner.

Dr. Adnan Al-Azzawi

**List of Letters of Gratitude to Dr. Adnan A. Al-Azzawi Assistant
Prof/College of Engineering University of Baghdad For his efforts in the
Preparation for the Energy Seminar**

| By | No. | Date | Notes |
