11- Distribution of HLA Antigens Class I and II in Baghdad Arab Population –Iraqi Medical Journal – 2012

- 12- Evaluation of some Health and Social Parameters in Beta – Thalassemia Major Patients in Ninawa Governorate - Iraqi Medical Journal – 2011
- 13- Molecular Characterization of Beta Thalassemia Mutations for Ten Patients in Al-Muthanna Governorate - Iraqi Medical Journal – 2010
- 14- Molecular Characterization of Beta Thalassemia Mutations in Baghdad - Iraqi Journal of Community Medicine – 2010
- 15- Molecular Characterization of Beta Thalassemia Mutations in Ninawa Governorate – Annals of the College of Medicine, Mosul – 2010
- 16- Monitoring the Peripheral Blood Cells after Autologous Marrow Transplantation in Ten Patients in Bone Marrow Transplantation Center in Baghdad - Iraqi Medical Journal – 2009
- 17 – Evaluation of Plateletpheresis Procedure in Blood Component Unit of Bone Marrow Transplant Center – Iraqi Journal of Community Medicine – 2007
- 18-Preparation of Stabilized Blood as a Quality Control Material for Blood Count – Journal of Basic Medical Science – 2005
- 19- Hereditary Factor VII Deficiency in 17 Iraqi Patients – Journal of Factuality of the Medicine Baghdad – 2005
- 20- Alternative Method of Cryopreservation of Human Peripheral Blood Stem Cells for Transplantation – Bone Marrow Transplantation - 2004

2-الكتب: كتاب علم الدم وامراضه

النشاطات العلمية

1-عضو مسجل في نقابة اطباء العراق

2-عضو مجلس نقابة اطباء العراق: 2016-2005

3-حضور محاضرات

1-محاضرة الاخطاء اللغوية والنحوية في المخاطبات الرسمية

الاحد: 2022-5-22 –المحاضر: سالي-قاعة الرازي--كلية الفارابي

2-محاضرة الاداء السنوي للتدريسيين...كيف تحسن تقييم ادائك السنوي

الثلاثاء: 2022-5-24 – المحاضر: م. د. خالد عبد الخالق-قاعة الرازي-كلية الفارابي

3-محاضرة الحمى النزفية وطرق الوقاية منها

السبت: 2022-6-4 --- المحاضر: م د سمير عبد محمد-قاعة الرازي – كلية الفارابي

Lecturer Doctor: Waleed Abdulazeez Omar
Department of: Nursing

Email: walid.abd@alfarabiuc.edu.iq

Education:

PhD, University of Al-Nahrain Year 2008

MSc, University of Al-Mustansyria Year 2002

MBCHB, University of Baghdad Year 1982

Profile:

-1982: Rotation in AL-Falluja Hospital

-1983: Permanency in the National Blood Transfusion Center (NBTC)

- 1987-1990: The head of the (Mobile Blood Collection Team) in (NBTC)

- 1993- 1994: Passed the fifth course of laboratories for Doctors - Hematology by Ministry of Health -

- 1996-1999: The head of (Blood Components Production Department) in (NBTC)

- 2002: MSc-hematology

- 2002-2005: Hematologist in (Bone Marrow Transplant Centre)

- 2008: PhD –Hematopathology

- 2008-2010: Manager of Laboratory Department in Bone Marrow Transplant Center- Medical City

-2008-2019: hematologist in Teaching Laboratories and Children Welfare Teaching Hospital in Medical City

- 2020: retired

- 2020: lecturer doctor in Alfarabi College University- Teaching

1-Anatomy: first stage –nursing department

2-Physiology: first stage-nursing department

3- Biochemistry: first stage-nursing department

4-adults nursing: second stage-nursing department

5-medicine: fourth stage –dentistry

Research Focus

1-Hematopathology

2-Bone marrow transplantation

3- Medicine
