

Curriculum Vitae

Personal information

Name: Rawnak Adnan Kadhim
Place & Date of Birth: Baghdad / 19th of Oct 1983
Nationality: Iraqi
Marital Status: Single
Present Address: Baghdad
Mobile: 07833034937
Email: rawnak_adnan@yahoo.com

Education and Qualifications

Degree:
B.SC in chemical engineering from Baghdad University
Year of Graduation:
2005.

M.sc degree in chemical Engineering from Baghdad University
Year of Graduation:
2021.

❖ Member of Engineering Iraqi association, 2014 till now.

Languages

Mother Language:

Arabic

Foreign Language:

English very good reading / very good writing /very good speaking

Computer Software:

Good knowledge in Microsoft office .

Academic published papers

- ❖ **Synthesis and preparation of Nano silica particles from Iraqi western region silica sand via SOL-GEL method** (*published in journal of physics: conference series which is indexed by SCOPUS 2021*).
- ❖ **Study the effect of monometallic and bimetallic catalysts on isomerization of narrow boiling point range Iraqi light naphtha** (*published in Turkish journal of physiotherapy and rehabilitation which is indexed in ESCI in 2021*).
- ❖ **Material balance and reaction kinetics modeling for Penex isomerization process in Daura refinery** (*published in Cariff, Universiti of Malaysia in FluidsCHE which is indexed by SCOPUS 2017*).
- ❖ **Water treatment of zeolite catalyst (PD- MOR) catalyst** (*published in Al-Mustafa university college journal 2021*)
